### **Criteria on the Issuance of Certificates of Good Standing**

The Geothermal Association of Kenya hereby introduces the issuance of certificates of good standing to members as a measure of good practice and membership management. Below are the criteria guiding the issuance of these certificates:

- a. A member should have paid all subscription fees due.
- b. One should have a track record of paying membership for two consecutive years and is up to date with membership subscription.
- c. Disciplinary record. A certificate of good standing shall not be issued to a member who is reported to have had disciplinary cases. Such members shall be accorded fair hearing by an adhoc disciplinary committee of the Board and shall be issued with the certificate after the matter is fully addressed by the Board, in their favour.
